

General Education Assessment Team Meeting
GEAT III – Goal 6 Group
12-7-2018
Room 109 – Roosevelt Hall
2:00 – 3:00 p.m.

Minutes

1. The GEAT reviewed the following documents:
 - Points of discussion from our last meeting.
 - Current General Education Goals
 - Pitt State - Redesigned General Education plan

2. Next Steps - Planning
 - We confirmed that we will create a first survey to administer to faculty assigned to teach courses numbered 100-499.
 - The draft survey will be designed and distributed for review. The edits and changes will be discussed at our next scheduled meeting in January.
 - Currently, the plan is to administer a second survey that focuses on those specific courses that are using multidisciplinary approaches to gain additional insights.

3. Over the winter break, GEAT members will individually rewrite GE goal 6 based on the following:
 - Write the goal the way you believe it should be expressed.
 - Based on the table listing of academic disciplines, topical/technical areas, and data sources – are there other topics and skills that should be included in these lists?
 - Is it better to modify the current version of Goal 6 or should there be a total redesign?
 - Evaluate the feasibility of combining goals and/or goal objectives
 - Is it better to modify existing goal(s) or total redesign
 - Qualitative Survey Questions – will include in our next meeting in January.

4. Meeting adjourned at 4:45 p.m. – the spring schedule will be determined when we return to campus in the first week of January.
