A Restricted License requires a passing Praxis content test score by end of first year of the restricted license. Please check this website to get the current test names and codes of the required Praxis tests for Kansas: www.ets.org/praxis/ks/requirements. The PLT is not required for School Specialists.

The Teaching and Learning Portfolio (TLP) is not required for Restricted School Specialists.

The following is a list of requirements remaining to be completed by the candidate to receive verification of program completion from ESU for the Initial/Professional License. A 3.25 cumulative gpa must be maintained for the duration of the Restricted Licensure program as part of the Master of Education-Teaching degree. A grade of "B" or better should be gained for each class for the graduate degree. Content courses must be completed no later than by the end of the spring following the third year of the Restricted School Specialist Licensure. Failure to do so may mean a loss of licensure to continue in.
