Dear Dr. Jeong:

The Committee on Accreditation (CoA) reviewed the Biennial Narrative Report, trended statistics, and student achievement data weblink. Further explanation is needed in the Self Study:

- Explain the decision to move to a fully online asynchronous mode of delivery and how the program plans (in relation to survey data for #1 reason for selecting the program) to assure program quality, recruitment of students, and impact on the number of minority students.
- Address how the DEI efforts are integrated in the curriculum and recruitment efforts.
- Also address the impact of future budget cuts on the program.

The schedule of next interim reporting is as follows:

Report	Due date
Annual statistics 2022	February 15, 2023
Review the statistics the program makes available, per policy I.18.1 Statistical Reporting ; also made available in the Directory as the Student Achievement data weblink	February 15, 2023

Please use the attached sheet to acknowledge receipt of this letter.

The Committee on Accreditation appreciates this opportunity to remain apprised of developments in the program and extends best wishes for the remainder of the academic year.

Sincerely yours,

A handwritten signature in cursive script that reads "Linda C. Smith".
